

ECSS Membership

#WeAreSportScience | sport-science.org

We are a non-profit scientific organisation devoted to the promotion and dissemination of multi- and interdisciplinary research in sport and exercise science. Founded in Nice, France in 1995, we have established ourselves as the leading sport science community in Europe, with a truly international demographic.

When you become an ECSS member you:

Support sport science
as a discipline

Join a community of
scientists with similar
interests and goals

Get access to the latest
technologies, services and
expertise

Receive a discount on the
ECSS annual congress

Participate in the prestigious
Young Investigators Award
(by application)

Progress your career in
sport science

Our membership options

ECSS membership is available on an annual basis,
from January to December, under the following categories:

ECSS Member

1 year
€100

ECSS Student Member

1 year
€50

Your ECSS membership will automatically renew for one year at a time. This means you will no longer need to log into your ECSS account to renew your membership. Renewals are processed in January every year. If you would like to opt out of your ECSS membership, you will need to notify our office office@sport-science.org by 29 September. After opting out, your annual ECSS membership will continue until 31 December and will be cancelled thereafter. For more detailed information on this, please visit our updated [bye-laws](#).

Signing up for ECSS membership or renewing an existing membership

To become a new member, please visit sport-science.org and go to [ECSS Account Log In](#) to set up a new member account. Once you have set up your account, visit the secure membership page to select the membership category that applies to you.

To renew your membership please log into your [ECSS account](#) via the ECSS website (sport-science.org) and visit the secure membership page to select the membership category that applies to you.

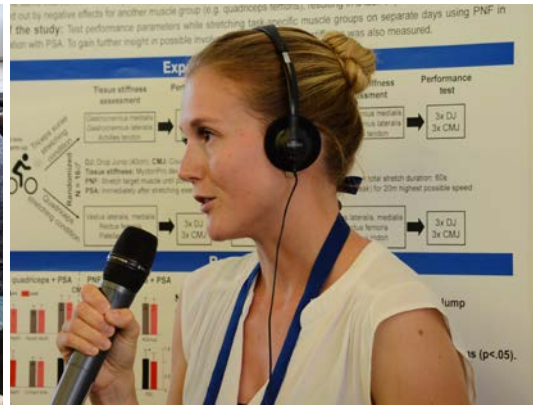

Any problems, please reach out to us at office@sport-science.org
